

*“Lenny Esposito and his team at Come Reason Ministries are doing some of the most important work I can imagine for the Kingdom: giving reasons to believe. They have been so faithful to the Scriptural commands and God has blessed them with access to large crowds of Christians who are hungry for a deeper faith and a solid foundation in the truth of the Gospel. I have ministered with them on several occasions and can confirm that they are doing the Lord's work in a unique way and are making a tremendous impact.”*

*“We are ambassadors for Christ, which means that we should become proficient in responding to the challenges of the world in which we temporarily reside. Come Reason is in the forefront of providing the church with the training necessary to accomplish this.”*
